ANNOUNCEMENT OF THE LEGACY PROJECT 1500

2025 marks the Hijri-lunar year of 1447.

The Prophet ﷺ was born 53 years prior to the Hijrah. 1447, therefore, marks 1500 years since the birth of the Prophet Muhammad ﷺ, a guide to humanity, whose teachings continue to inspire over 1.9 billion Muslims worldwide.

To this effect, a group of diverse Muslims, with patrons from all walks of life, are launching the **LEGACY PROJECT 1500**.

The sole focus is on the universal message of Islam, conveyed by the Prophet ﷺ and rooted in the civilisational values of peace, mercy, justice, and environmental awareness.

The **LEGACY PROJECT 1500** aims to commemorate this great milestone in various ways, from Qira'at and nasheed programmes, to a national school speech contest, special public events, publications on the Prophetic mission; to exhibitions of art and Prophetic relics and an international conference on the civilisational heritage of the Prophet . ﷺ.

The **LEGACY PROJECT 1500** is an inclusive endeavour where organisations and institutions are encouraged to host events commemorating the Prophetic legacy and will enjoy full autonomy under **THE LEGACY PROJECT 1500** banner.

The **LEGACY PROJECT 1500** is more than just a commemoration; it is an affirmation of the Prophet Muhammad's ﷺ enduring legacy.

It is an opportunity for Muslims around the world, especially minorities, to reflect on their identity, and their future role; thereby bringing to focus the invaluable and enduring contribution of the Prophet ﷺ to the world.
